I WILL LEARN

<p>STEAM</p>	<p>Story - The Thirsty Crow</p> <p>STEAM integration activity - Children will do a follow up activity of the story by putting pebbles in a bowl of water to see the water coming up. It's just an observation for children. This is a simple wonder time activity for children.</p>
<p>Planet PALS</p>	<p>Children will go for a nature walk in the garden and observe different things around them and scribble on a sheet of paper as a reflection activity. Teachers shall prompt children if required and write on that paper whatever the child said.</p>
<p>Mindfulness</p>	<p>Children will keep the pointer finger on an inverted 8 as shown in the grid and trace it while breathing in and out.</p>
<p>Special Days</p>	<p>Mother's Day</p>

If You're Happy And You Know It

If you're happy and you know
it, clap your hands!

If you're happy and you know
it, clap your hands!

If you're happy and you know
it, and you really want to show
it;

If you're happy and you know
it, clap your hands!

My feelings

When I'm sad,
I sit and cry.

When I'm happy,
I laugh and smile.

When I'm angry,
I stamp my feet.

When I'm tired,
I go to sleep.
